

THE MONSOON SYSTEM

*Monsoon is the innovative system applied to MCP Ceramic's **rimless wall-hung toilet** that offers **unparalleled performance** and **hygiene**.*

Featuring the innovative **Tornado Flush technology**, the Monsoon system offers a **powerful and quiet internal flush** that ensures optimal cleanliness and efficient use of water. The rimless design of the MCP Ceramic products, combined with Tornado Flush technology, ensures **immaculate hygiene** and a **consistently clean** toilet.

The Monsoon system also features a **hydraulic** seat that ensures a quiet shut-off, **minimizing noise** and disturbance in the home. The stainless steel faucet provides durability and longevity, ensuring that the toilet is built to last.

In addition to its outstanding features, the Monsoon system was designed with **aesthetics** in mind. The **full glazing** of the toilet adds a touch of elegance and modernity to the bathroom while making it easy to clean and maintain.
